

### **To Install Bin Label Generator:**

1. Click on the button below to start the installation process.

**INSTALL BIN LABEL GENERATOR**

2. Once program installs, access it from your Start button:  
Programs/Parker Hannifin/Bin Label Generator.

3. On the first screen, choose the “other options” button and then choose the division you first wish to install.

4. At that point, click “begin download,” and once that is complete click “begin install.”

A “General Help” pdf under “Help” in the toolbar will walk you through using the program, if you need assistance.
